FOR THE BLOOD

The Best Spring Medicine

Just now everybody is thinking about

taking something for the blood.

A Spring medicine as we speak of

it. And it's a good thing to do, but you

want to get the proper medicine. If you

consult your physician he will tell you to

Take a GOOD LIVER

MEDICINE

and that, because the liver has every-

thing to do with the blood. If the liver

is sluggish the system is clogged, the

blood becomes impure, and the whole

body suffers. Every medicine recom-

mended for the blood is supposed to

work on the liver. Then get at once the

"KING OF LIVER MEDICINES."

SIMMONS LIVER

REGULATOR

It does its work well, and tones up the

whole system. It's "Better than Pills,"

and can be had in liquid or powder.
